

STYLE FOR GUYS

It's finally time to get comfortable in the lightweight, casual styles of spring. Men can easily update their wardrobes with a few key pieces of the season, available at **Les Richards** inside Center City's **Shops at Liberty Place**. Look for prints and plaids from Ben Sherman and BCBG's "hybrid" coats (think sport coat meets jacket). Separates from DKNY and Kroon come in such fabrics as cotton, linen and even seersucker. 1625 Chestnut St., 215-751-1155.
