The List

Hump This

Rock 'Em: WeSC Headphones

Available at Matthew Izzo: 151 N 3rd St, Old City; 215.829.0606

WeSC's super-futuristic Spring/Summer '09 headphone line includes three models available in six styles: the top-of-the-line white and Mauritius blue "Bag Pipe DJ Pros"; the premium "Bongo" in black, white-dotted gray, or bright teal/red; and the green or orange Oboe -- a bargain at \$54, it still packs 30mm PRO drivers, 120 dB of sound, an impedance of 32 Ohms, and a frequency range of 20-20 001 Hz (but if you know what that crap means, you don't need it, because you clearly only listen to Textbooks on Tape).

Gear up for your own headphone masterpiece at MatthewIzzo.com

Gear: Gost/Phillies Tees

Available at UBIQ: 1509 Walnut St; 215.988.0194

Developed by the "Tony Hawk of inline skating", Gost's debut streetwear line features two collab designs exclusive to UBIQ, both depicting a *Pac-Man*-

esque ghost getting beamed by a misplayed baseball above a Phillies-font Gost logo --

because everyone knows Phillies fans are the "Tony Hawks of not being satisfied with success".

Party: Fire and Ice

Fri, 7pm-3am at Taylor's:
2310 Marlton Pike (Rt 70),
Cherry Hill, NJ;
856.486.1001

To celebrate their new outdoor deck & cabana bar, Taylor's is hosting a bash with \$3 Absolut and [Burst Arctic ice](#) luges, \$4

Absolut cocktails, and \$5 Skyy and Red Bulls, plus an armada of entertainment: fireblowers, laser displays, multimedia projections, DJs, and the near-naked Pure Bliss Go-Go Dancers, whose MySpace insists that "GO-GO DANCERS ARE NOT STRIPPERS!!!!!!!" ("DOES THIS DOLLAR MAKE YOU FEEL OTHERWISE???????").

Mention "Thrillist" to the downstairs bar hostess for a free first round before 10pm

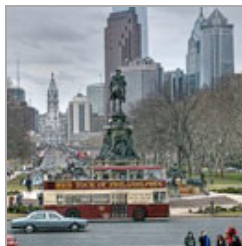

Lids: Stetson Trunk Show

Tomorrow at Les Richards
Menswear, 1625 Chestnut
St; 215.751.1155

Packing a slew of Spring/Summer '09 samples, a Stetson rep'll be on hand for questions and custom ordering of

hats ranging from the straw-heavy Panama collection, to the cowboy-ish raffia "Runaway", to crowns like the the straight-pimp "Side Slip" and the black and charcoal striped "WiFi" -- an oddly inspired lid that'll nab you fairly shoddy reception.

Philadelphia in HDR

Get an awesome HDRI (High Dynamic Range Imaging) view of Philly, with photos including a perspective on West Philly's 50th St Firehouse [suitable for framing](#), a

46th and Pine shot that could pass for an oil-painting of restored Victorians, and skyline and Parkway views that are *near* Pointillist (but Seurat were you expecting?).
