Candy, flowers, jewelry... finding a Valentine's Day gift for a girl is basically a no-brainer. But, unless your guy has a thing for overpriced blooms, we're betting that the impending holiday is leaving you all but stumped as to what he's wishing for. The solution? Head to Les Richards for first dibs on their spring menswear collection. Choose from sleek leather wallets, printed Ben Sherman shirts, linen sport coats from DKNY (so in) and the most modern-looking selection of Kenneth Cole cufflinks. Not only will he score a gift he actually *wants*, but you'll also have an excuse to redecorate your man... and with cash to spare! If that doesn't make him happy, it may be time to start looking for a new Valentine.
