WHAT WE LOVE

A Good H.O.M.E.

November 20, 2008

Sometimes you have to devise a plan. How do you replace your boyfriend's beloved Eagles Starter jacket with a stylish black wool number without the sting of insensitivity? "Yes, I know they're your favorite team, but..." Les Richards Menswear, along with Project H.O.M.E (Housing, Opportunities for Employment, Medical Care, Education), could help your case. Donate any lightly used men's coat during November, and receive 20-percent off any of the store's outerwear. The used coats will offer warmth to needy individuals throughout the city. Just assure boyfriend that his beloved jacket will be going to a good H.O.M.E.
